

Diagram 5: A Simple, Complete Example

	10	11
3	1	2
12	9	3

YELLOW (Down): $1 + 9 = 10$ ✓

ORANGE (Down): $2 + 9 = 11$ ✓

Top Across: $1 + 2 = 3$ ✓

Bottom Across: $9 + 3 = 12$ ✓

Perfect! Notice:

- Each run uses only unique digits within that run
- The cell with "1" is part of both a down run and an across run

- The cell with "9" is also part of two different runs
- All four runs have correct sums ✓
